3rd Annual PCC Night at the Celtics!

On March 11th, a combination of Board and PCC Members enjoyed a nice evening of Networking, and attended a Celtics Game. The night featured an "On the Parquet Visit" and photoshoot. The game itself was quite a battle. The Celtics sustained some key injuries and came up just short at the buzzer. However, memories were made that won't soon be forgotten.

Greater Boston PCC Honors Retiring Board Members

In December, at the Greater Boston PCC's holiday meeting, Alice Gordon and Al Lacerda were formerly recognized as retired from the PCC Executive Board.

Alice and Al had a combined total of 40 plus years of service to the board, serving in varying capacities on the Executive Board.

They were recognized by those in attendance and the USPS provided wonderful large framed stamps that coincided with Al's and Alice's interests. The framed pieces included a message of gratitude from the PCC.

Alice was a longstanding member of the board serving in many different roles including Co-Chair. She was also known as the designated proofer for all PCC copy that was sent out, and no one did it better! A little known fact about Alice that was brought up was that she holds a spot in Postal trivia history. When the government forced the Postal Service to give up its fledgling efforts in pioneering electronic commerce, Alice's firm bought the E-COM system from them.

Alice has also joined the ranks of Executive Board Members granted Emeritus status.

Al Lacerda joined the Board in 2001. Over his years of service Al served on the newsletter committee and was known as the provider of the Postal facts and trivia that appeared in the PCC newsletter. He could always be counted on to keep the board up to date on the latest in hot rod and souped up car news.

All present provided a rousing standing ovation, and the board wished them well in their future endeavors.

Minutes from downtown Boston, located directly off of Route 93 and boasting free parking, Granite Links is the ideal venue for the Greater Boston PCC's Premier Event! Don't forget to save the date, Tuesday, September 25, 2018, for National PCC Day, at Granite Links Golf Club in Quincy, Massachusetts!

Want a Package Redelivered? Scan the QR Code Using Your Smart Device!

The Postal Service has renamed and redesigned one of its most used forms--PS Form 3849, Delivery Notice/Reminder Receipt. The new name of the form is "We ReDeliver for You!"

The redesigned form is user friendly for customers, clerks, and carriers. The revisions allow us to provide more detailed information to customers regarding delivery attempts. The form comes in different colors – peach for Monday through Saturday deliveries and yellow for Sunday. These changes are a result of improved technology and the ever-changing needs of our customers. The revised form was effective January 21, 2018.

The new form contains a Quick Response (QR) Code, a new option that simplifies scheduling redelivery for customers with a smart device. Users can scan the QR Code using an Android or iOS device to access www.usps.com/redelivery, and select the redelivery date for the item(s). It's that easy --We ReDeliver for You!

Operation Protect Veterans.

The United States Postal Inspection Service and AARP join together to provide information to counter and prevent fraud against America's veterans. The AARP takes the initial reporting via toll free hotline 877.908.3360 or online at aarp.org/fraud watch network. The US Inspection Service offers an anonymous survey reporting card for statistical reporting of veteran related fraud events.

A joint eight-panel US Inspection Service-AARP pamphlet is available at USPS Retail locations until May 04, 2018.
