## PCC Joins With Habitat for Humanity at NPF

Sponsored by Mark Fallon and The Berkshire Company, members of the Greater Boston PCC helped kick off the 2019 NPF conference by spending the day with the Greater Indy Habitat for Humanity. Despite rainy and muddy conditions, our volunteers braved the elements to help build a home for a deserving family. We had 16 volunteers from 11 states participate this year. Workers climbed scaffolding, nailed siding, painted and installed insulation. An unexpected treat was being served a hot lunch by the Greater Indy Habitat Young Professionals (GIHYP). This inspirational group seeks to connect socially conscious young professionals to raise awareness, funds, and volunteerism in support of Greater Indy Habitat's mission of putting love into action to build homes, communities, and hope.

In a new tradition, we presented the homeowners with a mailbox. We need to make sure they're ready to receive their mail as soon as they move in!

# PCC Continues to Give Back

Again this year, on August 3rd and 4th, PCC Board member John McDonald will be cycling his way across Massachusetts taking part in the Pan Mass Challenge to support the Jimmy Fund and Dana Farber Cancer Institute in the battle to treat and cure Cancer. John has been riding in this event since 2002 and has raised over \$175,000 for the cause. Along with his daughter Heather, last year they raised over \$30,000 to aid in research and treatment of this dreaded disease. This year they are riding with a team sponsored by Jenny Boston Boutique. Please support John's and Heather's ride and the Jimmy Fund by donating online at <http://www2.pmc.org/profile/JM0261>.

## Greater Boston PCC at the NPF

The National Postal Forum was held in May in Indianapolis. As is the norm, the Greater Boston PCC was well represented at the Forum, both as attendees and as speakers.. Below are some pictures from the event.

## Did You Know?

- The most unusual delivery method used by USPS is a mule train in Arizona. The mules carry mail, food and supplies down an 8-mile trail to the Havasupai Indians at the bottom of the Grand Canyon.
- Franklin is the most common city name in the country with 31. Clinton and Washington are tied for second with 29 and Arlington is at third with 28. The most common Post Office name is Clinton, with 26 locations, followed by Madison with 25 and Franklin and Washington tied for third with 24.
- The most common street name in the country is Main -- more than 13,000 of them -- followed by 2nd and Maple, with more than 8,000 each. The longest Main Street is in Island Park, ID, and is 33 miles long.
- The easiest to remember ZIP Code is 12345, a unique ZIP Code for General Electric in Schenectady, NY.

## PCC Night at Fenway

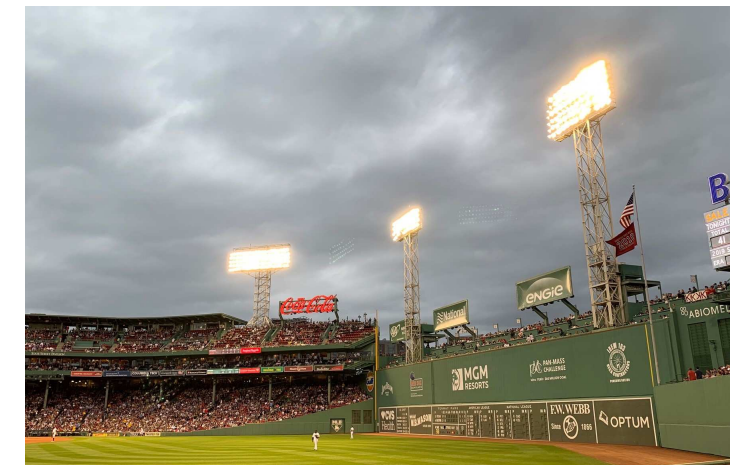

Another Great Night at Fenway! For the 6th straight year and 5th straight sellout, 60 attendees went to the annual PCC Night at the Red Sox. This year's group was our largest yet, and one of the liveliest! The group was comprised of a mix of Industry and USPS employees. We even had visitors from out of town, including Michelle Sherbert, Area Sales Manager from Texas, and Christine Bailey, the D.C. VP of Sales.

The pre-game networking event was held at Lorretta's Last Call. We wish to thank the management, Erika and Myles, along with the staff

for taking care of us while they were at full capacity.

The game itself was a back and forth battle between the Sox and the Texas Rangers. For the first time, our game went into extra innings with the score tied at 3. However, in the 11th inning Texas went ahead to stay. For those that attended, we hope you enjoyed yourselves and hope to see you back at Fenway Park in 2020!
